

**Just for Fun**

Just for Fun can include coloring sheets (you can pick up coloring books for a little over a dollar at the dollar store), mazes, crossword and find-a-word puzzles, graphic design, and other worksheets.

Just for Fun also be any of the reading and math games which have been shared with you. These card, dice, and domino games can be challenging, but they are also engaging, and once the youth have learned how to play, they are enjoyable.

Just for Fun can also be any board games you have purchased—Monopoly, Clue, Uno, Candyland, checkers, chess, Mancala, Old Maid, Go Fish, Crazy 8's, and any other games youth enjoy playing. The most important thing is that all the youth know how to play the games. Even a simple game like Slap Jack, needs to be taught. Remember you don't have to have special cards for Old Maid (the joker can be the Old Maid), and Go Fish and Concentration only need a simple deck of playing cards.

Just for Fun can also provide time for youth to finish a project that was not completed, a challenge or new project. Just for Fun should be defined by the youth and they should select the activity that is appealing to them.

Just for Fun activities can also be made available when youth are finished with homework.
