This calendar is a suggestion of activities you might want to utilize with the youth in your program. You can certainly change things up.

The Icebreaker Activities can be utilized each day. There are enough different ones included.

Lesson plans are organized around topic. For example, all the Ice Breakers are in one document. activities are organized by topic rather than date, although the title of the suggested activity is listed on the calendar, you may choose to reorganize the activities.

You are encouraged to continue have older youth develop their own vocabulary as they “work” to provide rice and vegetables for the hungry. Access the United Nation’s application, Free Rice:
